Custom Made Stamps

- A range of Custom Made Stamps to suit all your requirements
- Stamps are available in various sizes, ink colours and your choice of text
- Prices are available on application
- Below are examples of the different stamps available

Self-Inking Stamps

- Self-Inking Stamps with built in ink pads
- High density ink for clear, sharp prints
- Lightweight yet extremely robust
- Ideal for repetitive and frequent stamping, name and address stamps, signatures and other messages
- Clear positioning window
- Full size index window for easy reference
- Replacement Pads available in black, blue, green, red and violet
- Dater models also available
- Sizes available up to 72 x 35mm

Pre-inked Stamps

- Pre-inked so no stamp pad required
- The microporous material contains sufficient ink to give thousands of impressions
- Simply remove the protective cover and the stamp is ready to print
- Stamps print-like quality impression, ideal for signatures, logos and artwork
- Available in black, blue, green, red and violet ink
- Two colour impressions possible
- Any size of stamp available up to 105 x 75mm

Rubber Stamps

- Traditional and economical stamp
- Requires a stamp pad, see page 267
- Robust and versatile
- The stamp is indexed so that you can see the impression you will make through the clear plastic cover on the upper surface of the mount
- Any size of stamp available up to 150 x 75mm
- Its composition is of natural rubber giving the best possible ink transfer

Datext Daters

- Traditional rubber text and date, ideal for heavy duty stamping
- Robust and versatile
- Requires a stamp pad, see page 267
- Prints your own wording with the day, month and year and features 12 consecutive years of date bands
- 4mm date size
- Clean and easy changing facility
- Extremely strong, yet light weight plastic frame
- Date appears in the centre of the stamp
